

Brown Baldwin Accountants & Advisors

Spend less time on your books and more time on your business.

At BBA Accountants & Advisors, we understand that when you're running your own business, it's important to keep your mind on the job. You don't want to waste time crunching the numbers and completing your bookwork when you could be spending that time on your business.

The BankLink Service is a service provided by MYOB Australia. It automates and simplifies your accounting by virtually eliminating manual data entry and the collection of receipts and bank statements. You'll no longer have to spend hours doing your books with software that is often complex and expensive to use. The MYOB BankLink range of simple solutions helps you to easily provide us with the information we need. It means you can stay focused on building your business.

And, MYOB BankLink makes it easy for us at BBA Accountants & Advisors to send you regular financial information so you can make well-informed business decisions.

MYOB BankLink is suitable for all small business owners including tradespeople, retailers, medical practices, rental property owners, sales reps, café owners and farmers.

Join more than 320,000 business owners and SMSF Trustees who have already discovered that MYOB BankLink makes their accounting a lot easier.

Benefits for your business

- **Simplifies and automates** your accounting process
- **Saves you time and money** - virtually eliminates manual data entry and reduces time spent on bookwork
- **Accurate and secure data** supplied to BBA Accountants & Advisors daily, weekly or monthly
- **Timely financial reports** to help with business decision making (cash flow, P&L etc)
- **Reduces stress** - you don't need to understand accounting, you'll have fewer queries from us, and you won't need to supply receipts, bank statements or files from other accounting software

How does it work?

MYOB BankLink securely collects electronic copies of your statement information from your bank or financial institution and then delivers this directly to BBA Accountants & Advisors.

Using MYOB BankLink, BBA Accountants & Advisors will process your transactions and, where additional information is required, request details from you using easy to use [Communication Solutions](#).

MYOB BankLink also offers [Business Solutions](#) to help you easily manage your invoicing and payments to suppliers, without the cost and complexity of a full accounting solution.

Why the quality of bank transaction data is so important for your business?

Is MYOB BankLink secure?

Absolutely. MYOB BankLink is completely secure and has achieved PCI DSS (Payment Card Industry Data Security Standard) compliance — a security standard set by the major credit card companies. **You do not disclose your bank passwords at any time** and the service does not have any internet banking capabilities.

Electronic copies of your transactions are sent to BBA Accountants & Advisors under strict international security measures, in accordance with the requirements of all the major banks. Your transaction data is supplied in encrypted form and cannot be accessed by anyone other than BBA Accountants & Advisors.

We cannot register you with The BankLink Service until you have provided a signed authority form.
